Thank you for your interest in Chesapeake Pet Resort, Southern Maryland's most requested pet care facility! We look forward to caring for you and your petS!

Please note the following information, also outlined in detail on our website, www.chessiepets.com;

Office Hours:

Monday – Friday: 8:00 am – 11:00 am/3:00 pm – 5:00pm (office is closed 11:00 am – 3:00 pm)

Saturday: 8:00 am – 10:00 am

Sunday: 3:00 pm – 5:00 pm

Please complete the attached registration form and fax or deliver it to us in advance of check-in and with a copy of your current vaccination records. Our fax number is **301-373-5155**.

What to bring:

We provide all of the bedding, toys, bowls, and treats you will need. Please label any items brought from home with a sharpie for prompt return at check out. We do not accept oversized dog beds or raw hide treats, and knuckle/leg bones as they are choke hazards in this environment. We provide ample clean bedding and treats for your pet daily. All pets arriving must be on a leash or in a pet carrier. We are not responsible for lost or damaged items.

Feeding:

We suggest bringing your food of choice, dry and/or canned, from home in pre-labeled zipper bags per pet per meal as well as any special treats or canned food necessary. All food from home must arrive in a sealed plastic container for safe storage in the kennel. We do keep Pedigree dry dog food in stock at no additional cost. For cats, we provide dry cat food or you may bring your food of choice from home and any special cat letter needed. We provide clay litter at no additional fee. (Note: keeping your pets on their regular diet is preferred and oftentimes eliminates any upset stomachs. If necessary, CPR will provide a rice only or rice and chicken diet to your pet to help with certain stomach disorders.

Medications:

Our fees start at \$3 - \$5 per time to administer basic medications, including any pills, vitamins, and/or supplements. Do not mix any pills in with food from home. More extensive information on our medication policy can be found on our website.

HEALTH REQUIREMENTS

Vaccinations

All pets entering our facility must provide current vaccination records administered by a licensed veterinarian.

DOGS:

- Rabies
- Distemper (DHLPP)
- Bordetella

CATS:

- Rabies
- Distemper
- Feline Leukemia (preferred, but not required)

OTHER PETS: case by case basis

Vaccinations should be administered **at least 7 days prior to lodging** with us, if not current in the last year. Proof of vaccinations can be faxed, mailed, emailed or delivered to us in advance of your arrival.

Parasite Control

All pet guests must be current on some form of topical flea and tick preventative, as prescribed by your veterinarian. Please do not bring bedding from home that may possibly have uninvited critters aboard to then enter our facility. We provide ample clean, fresh bedding twice or more daily as needed. Pets arriving with fleas or ticks will be turned away or bathed at our discretion and at owner's expense for any bathing, flea and/or tick removal.

General Health Policies

Any pets arriving with evidence of coughing, sneezing, or otherwise readily apparent with signs of illness or injury will not be permitted to stay.

Pets having had recent surgical procedures, current or recent infections or injuries, or other potentially immune compromising situations, or pets requiring extensive medications, may be turned away at owner's/manager's discretion.

Pet Guest Restrictions

We do not accept pets that are aggressive, destructive, escape artists or diggers. Pets that are sick or heavily medicated, pets with extreme separation anxiety or other mental health issues, or "above and beyond" excessive barkers or howlers. We offer a free "get to know you day" for all first time boarders.
